

Minutes from the WPNS meeting
Held at Mount Lebanon United Methodist Church
On May 7th, 2019

The President, Corleen Chesonis called the meeting to order at 8:08 pm.

Minutes from the previous meeting were read. Richard asked to add information that he contacted the Heinz History Center regarding our June meeting. Minutes were approved as corrected.

Treasurer's report

Larry reported that once all the paid dues were recorded and check for web hosting issued, the balance at the end of the month was \$1,669.30.

Committee reports

Stu Strickland was not present, but there was a brief talk, in which people reported on scanning existing websites for examples. The full discussion was postponed for the future meeting when Stu is present.

Mike reported on the eBay sales and the incoming check for the treasury.

Correspondence

Richard received letters requesting support from people running for ANA Board of Governors. Ed Krivoniak and Larry Korchnak thought that Kagin is a better candidate for the President than Col. Ellsworth. The members will vote according to their conscience. However, we decided that WPNS vote will go to support Tom Uram running for the Vice President.

Old business

Corleen asked Richard to work with Heinz History Center on details, such as time of the meeting, and what banknotes to pull, so we can put them in protective sleeves at the next meeting.

Tom reported that the historical ledgers are safely stored with the rest of WPNS archives.

New business

Tom Uram will act as the nominating committee and contact all current officers to confirm if they want to stand for another term or find alternate candidates for those officers who do not wish to stand for election.

Corleen talked about the club's table at the PAN Coin Show: we will have display, WPNS flyer, and some medals for sale, but the information collection sheet has been deemed unnecessary.

Ed asked for volunteers to help setting up the PAN Show on Thursday morning.

Mike announced the rummage sale at the Mount Lebanon Church which is scheduled for the first Saturday of June.

After the business part of the meeting was concluded, Ted gave his presentation.

Concluding of the meeting

The meeting was adjourned at 9:37 pm.

Present: There were 12 members in attendance.
