

President Corleen Chesonis gaveled the meeting to order at 19:50.

Minutes of Previous Meeting

Minutes for the September meeting were read by Malcolm Johnson. Minutes were accepted as read.

Treasurer's Report

Per Larry Hufnagel: Balance 2021-09-30 \$1,711.81. This total included a deposit of \$30 and interest of 4 cents.

Committee Reports

Mike Drabick has not recorded any recent eBay sales but will be selling through other channels and will contribute a portion of his profits when they are accrued.

No other committee reports.

Correspondence

No correspondence.

Old Business

The November dinner plans are set, the dinner will be held on Election Day but that cannot be avoided at this point but may influence future planning. Cocktails will commence at 6pm with dinner ordering to follow at 6:30pm. We will probably have a choice of 3 or 4 different entrees at a set price to be determined. Rich Crosby will send out a notice about two weeks before the dinner to determine total attendees for planning purposes.

Mike Drabick organized the Allegheny Project materials and found we had several copies of the Project materials. Mike will contact Wayne Homren to solicit his assistance in finding a suitable venue to auction or sell the extra Allegheny Project Materials. The Club will retain a couple of copies for our archives. The club will also retain all the tokens originally used for photographic purposes that were part of the archives.

New Business

Mike Drabick said he had volunteered to manage the auction to be held in conjunction with the Fall PAN show. Mike was soliciting advice on how best to run the auction. The auction lots will have a minimum value of \$25 and will be on display at/near the exhibit/kidzone area of the convention floor. Mike had proposed three categories of donation. 1. All proceeds to PAN. 2. 50% proceeds to PAN 3. 25% proceeds to PAN. It was suggested to Mike that he only use donation type 1 and 2 it was also suggested that each lot have both an opportunity to bid and a BUY IT NOW price. Mike will take those suggestions under advisement. In order to get donations, Mike plans on visiting the bourse before the public enters on Friday and ask for donations. Any members willing to also donate should contact Mike as soon as possible.

Malcolm Johnson will print 100 club flyers for the WPNS table at the PAN Show. These flyers provide club meeting details including the presentation titles for the 2021-2022 club year.

Notices

Corleen announced that Mr. Andy Uram, Tom Uram's father, passed away on 03 October. Mr. Uram was a familiar sight at PAN meetings and was a prominent philanthropist and very beloved resident of Washington County. Corleen had a card available to sign that she will send to Tom and Family.

Longtime member Tom Fort has passed away after battling cancer for the last couple of years. He was an amazing scholar and an even more amazing man. Condolences to his beloved Gosia and the whole Fort family. We are diminished by his passing.

Presentation

Stuart Strickland gave a very interesting presentation highlighting Canadian coinage history and the various mints used throughout her history. One very unexpected note was the use of the Philadelphia Mint in 1968 to help Canada make their dimes. Apparently, you can count the edge reeding (and also the shape of the reeding) to differentiate between the Canadian and U.S. production. Lots of questions were asked and the presentation was very well received.

The meeting was adjourned at 21:26; there were 10 members present.
