

**Minutes from the WPNS Meeting on December 7, 2021**  
**held at Mount Lebanon United Methodist Church**

1. President Corleen Chesonis opened the meeting at 7:35 pm
2. The Minutes from the previous meeting held on October 21 were read. There were no additions or corrections, therefore the minutes were approved as written.
3. Next, Larry Hufnagel presented the combined Treasurer's Report for October and November. Since the last report, the opening balance was \$1,711.86, operations included a deposit of \$720.03 and an expense of \$742.73 (payment for the banquet at Scoglio's). Closing balance 1,689.16. Bank statements are attached to the minutes. Larry asked for a motion to expend the traditional \$50 check to Mrs. Drabick for her baking goods. Ed Krivoniak made a motion, Corleen seconded. Vote was unanimous. Passed.
4. Committee Reports:  
Mike Drabick reported on eBay sales. There was not much activity, but he managed to sell a couple of books.
5. Correspondence:  
Malcolm Johnson corresponded with Wayne Homren to gauge the best way to sell copies of the Allegheny project. E-Bay was suggested, but Ed Krivoniak disagreed. We will reach to Larry Dziubek to see if token people have a better suggestion.
6. Old Business:  
The issue of WPNS archives was discussed. Mike and Wayne met during Tom's funeral and passed to Homren things that should be digitized for the Newman Numismatic Portal. It will not happen immediately, but Wayne will hold WPNS materials until the professional staff is hired to handle our stuff. The boxes with the reminder of WPNS Archives will be moved back to Tom Uram's storage.
7. New Business:  
Corleen asked our guest to introduce himself. Isabelo Toledo is a member of PAN, NBS and he is interested in paper money. He knows Larry Dziubek, who encouraged him to come to our meeting.  
The annual WPNS Banquet was a success. And so was PAN Coin Show. Malcolm prepared posters but due to the illness could not deliver and Ed Krivoniak stepped in to help with the Kids Zone. Mike said that the auction was also very successful. The attendance was better than in the spring and the dealers seemed happy.  
Corleen said that Malcolm is recuperating from COVID and he will be back when he feels strong enough. He promised to fill Ted's spot for July, but we still need someone to take Tom's spot for January meeting.  
Mike received some magazines from the International Society of Antique Scale Collectors and he distributed them among the members.  
Corleen suggested making \$100 in the name of Ted Shiff for the Kids Zone. Stuart said for the record that in addition to the WPNS donation everyone has an option to make an individual donation too. Krivoniak make a motion, Jewell seconded. All were in favor. Passed.

Ed suggested a book donation in memory of Tom to the Carnegie Library or PAN library. Gosia mentioned Tom's support of the digitization efforts at ANS, so the donation to ANS could be a good way of honoring Tom. She will send information to Larry Hufnagel.

Richard Jewell will take the January presentation spot.

8. "A Selection of Carson City Coins" presentation by Richard Jewell was followed by show and tell of the members.
9. The meeting was adjourned at 9:15 pm.
