

**Minutes from the WPNS meeting  
held at Mount Lebanon United Methodist Church  
on April 2nd, 2019**

---

The President, Corleen Chesonis called the meeting to order at 8:03 pm.

Minutes of the previous meeting

The minutes were approved as read.

Treasurer's report

Larry delivered the combined Treasurer's Report for February and March. The current balance is \$1,504.95

Mike asked if the trend of losing money continues. Larry said that the beginning of 2019 brought some gains and the dues are still to come, but since we had no other expenses, it is too early to judge. Corleen said that the membership cards will be distributed as soon as Larry has time to record the payments and generate the list of member who paid the dues.

Committee reports

Stewart reported that the minutes were posted, but no other changes to the website were made. We need to upgrade the overall look of our website.

Mike suggested searching other websites for ideas about the style and look. He will contact West Penn club member for advice.

Gosia volunteered to look at other club websites and report to the group at the next meeting.

Corleen asked Mike about the eBay sales. There were no sales to report about, but some are coming this week.

Correspondence

Richard reported on the mail he received on behalf of WPNS.

Old business

Phil brought copies of original WPNS ledger and charter and asked for volunteers to safe keep them. Since they are already digitized, Tom Fort suggested keeping them with the rest of WPNS archives.

New business

Corleen welcomed our guest and asked him to introduce himself. We learned that Jerry's coin collection was stolen.

Tom Fort mentioned his conversation with a History Center user who was surprised to see that notes he examined were not in protected sleeves. Tom suggested that we contact History Center and offer them some currency sleeves, which would be purchased with the Society's money.

Tom Uram gave presentation on Apollo coins.

Concluding of the meeting

The meeting was adjourned at 9:32 pm.

Present: There were 16 members and 1 guest present.
