Member News

Malcolm J. had emergency eye surgery, he should be able to return in September.

Old Business

The bi-fold handout showing the current Officers and schedule of member presentations was provided to the attendees. The September meeting will begin an hour earlier than usual to allow for members to go through the WPNS archives to determine what should be put forward for permanent archiving at the Newman Portal.

New Business

Ed K. found some old 2X2 which he passed around to anyone who wanted to have some.

News of Interest

Several members brought in coins to show including Peruvian colonial coins, 1976 Montreal Olympic coins, and a prooflike gold Kopernik coin.

Presentation

Corleen highlighted her collection of Olympic coins. The series started in 1952 with the Helsinki games and Corleen's collection extended into the 1990s when the amount of different coins for each Olympic became excessive. A very timely presentation considering we are in an unusual Tokyo Olympic cycle that hopefully will not be repeated. China will have the next Winter Olympics in early 2022, the next Summer Olympics will be three years hence in 2024.

The meeting was adjourned at 21:00, there were 12 members present.
